SUNDAY SERVICE PARKING

No Parking in Royal Square!

Sadly, for various reasons, the Royal Court has withdrawn permission for extended parking in Royal Square for Sunday services.

As you are aware, parking within the church grounds is limited, especially with a growing congregation and also when the church building is undergoing maintenance requiring scaffolding. Therefore;

1. Please park responsibly when attending church. Don't be a two space hogger!
2. Please consider those of limited mobility or those with small children. If you can walk to church from a nearby parking facility, so please do.
3. Please do not leave your car in the grounds if your service has finished. Please park at a public carpark if you are heading into town to free up space for the next service.

thank you!
