Town Church has recently changed its admin service provider for data processing and bookings. As part of this process, we have been migrating congregational contact details, as well as booking and diary information, to the new service provider.

This has given us an opportunity to take care of some 'digital house keeping'.

Many of you may have already received an email asking you to confirm the details currently on file and to amend these where needed. If you have not received an email, it may mean we either do not have any details currently on file or they have been automatically archived during the data migration.

If you would normally receive the Newsletter or any other church information via email, and have not received a data verification email, or would like more information on how your data is stored and used by the church, please speak to the Church Verger, Marie Goddard.

COMING THIS DECEMBER

Family Christmas Craft Event

Sunday 6th December

Time: 3.00pm

Remember making those wonderful 'Rag Wreaths' last year? A church filled with the sound of conversation, laughter and fun as children and adults enjoyed an evening of crafting together?

This year, why not come along and join the fun as we make 'Rag Christmas Tree' table decorations together?

**Warm Welcome
2027**

Our Winter **"Warm Welcome" initiative** will begin again in the New Year, with each afternoon offering time for coffee & conversation with all those who will come in to use our church building to work, rest, pray & play. We therefore need a team of volunteers to help on a weekday afternoon, between 3-5pm, in order to offer this connection with those in our community. **If you could be part of this team, please speak to Emma Keirle or Peter Clayton as soon as possible**, so we can get a team confirmed in good time before Christmas. If you have never done this before – please have a chat with one of the regular team members who will tell you what a privilege this can be....
